Objective

Seeking a challenging position in a reputed organization where I can learn new skills, expand my knowledge, and leverage my learnings. To get an opportunity where I can make the best of my potential and contribute to the organization's growth.

Experience

- Avalon solution** Sep 2024 - Present
Shopify developer
 - Custom theme and section development for jewelry and lifestyle brands.
 - Implemented backend logic for shipping rules, product subscriptions, and advanced upsell features.
 - Configured advanced metafield structures and filtering mechanisms to support large inventories.
 - Managed live store support, A/B testing, and SEO optimization for client growth.
 - Develop and customize Shopify themes using Liquid, HTML, CSS, JavaScript, and React.
 - Implement custom features such as advanced product filters, dynamic pricing, custom checkout flows, and cart logic.
 - Build and manage metafields architecture and integrate third-party applications using Admin API and Storefront API.
- Braintree products** Aug 2022 - Aug 2024
Frontend developer

As a Frontend Developer, i will be responsible for the implementation and maintenance of the user interface (UI) components of web applications. I will work with various frontend technologies, including HTML, CSS, JavaScript, and Shopify, to translate design concepts into interactive web pages.

Responsibilities:

- Developed and customized over 10+ Shopify storefronts, improving conversion rate and UI/UX.
- Integrated third-party Shopify apps and handled advanced customization using Liquid.
- Develop and maintain user-facing features of web applications using HTML, CSS, and JavaScript.
- Implement responsive designs that work well across different devices and screen sizes.
- Optimize web pages for maximum speed and scalability.
- Write clean, modular, and maintainable code that adheres to industry best practices.
- Collaborate with the UX/UI team to create intuitive and user-friendly interfaces..
- Document frontend development processes, guidelines, and best practices for future reference
